First of all, make the setting possible. You will have to do a lot of work. Let's see now.

Let's share the screen. Let's start at night. I will update you on the whole thing by tomorrow.

I will make some changes. Everything will be done in one day. As you keep using it, things will happen in your mind.

Don't use all the basic things in front of you. Use a little more. Their project is going on.

I have made a PMR. You can imagine how many entries they are making. 10 lakh entries.

10 lakhs. There are countless entries. It's like an installment.

They have made a lot of installments. They have come up with a lot of new projects. For example, mobile, laptop, etc.

Can you hear me? Can you hear me? Yes, I can hear you. Can you hear me?
